What is Social Science/Humanities Unspecified (SHU)?

You may have noticed on your transcript on COIN that your major is now listed as Social Science/Humanities Unspecified instead of Liberal Arts Undeclared. The University has developed a new Liberal Arts major. If you enjoy your broad education, you may now graduate with a degree in Liberal Arts. You may declare this option by changing your major to Liberal Arts.

Last day to withdraw from a course is November 13th. Freshmen who wish to withdraw must meet with an advisor in the Academic Advising Center. The hold will be removed after Nov. 13th.
