

## Business Administration Minor

The Minor in Business Administration is designed for non-College of Business students whose objective is to acquire an understanding of business essentials to supplement their own area of expertise. By selecting a Minor in Business Administration, a non-business major can open both educational and career opportunities in business as a secondary area of study. For the non-business student who is planning on entering a Masters of Business Administration program, the completion of the Minor in Business Administration would satisfy part of the foundation requirements of the UMass Dartmouth MBA program, as well as MBA programs offered at other institutions.

### Admission to the Minor

Any undergraduate degree candidate, at UMass Dartmouth, with a declared major other than one in the College of Business, who has a GPA of 2.5 or higher in MKT 211, ACT 211, MGT 312, and MKT 211, and is in good academic standing in the major will be admitted into the minor. Applications for admission should be made to the Minor Coordinator.

### Minor Coordinator

**Matthew H Roy**  
Associate Dean  
Charlton College of Business

### Minor Requirements
