

CIVIL & ENVIRONMENTAL ENGINEERING
Part-Time Lecturers 2008-09

The Department of Civil and Environmental Engineering at the University of Massachusetts Dartmouth invites applications for Part-Time Lecturer positions for the Fall 2008 semester. These positions are non-tenure-track positions with responsibilities for undergraduate laboratory and/or classroom teaching. Possible courses include Introduction to Engineering, Engineering Statics, Mechanics of Materials, Structural Analysis, Analysis & Design of Concrete Structures, Computer Graphics for Civil Engineering, Surveying, Introduction to Environmental Engineering, Water Quality Engineering, and Engineering Economics. Other subjects are possible. Successful candidates will be expected to teach courses, hold office hours, and complete course/program assessments.

Minimum requirements for all candidates include a bachelors and masters degree in civil engineering or a closely related field and proficiency in course content and fluency in the English language. Exceptional candidates for surveying and computer graphics lecturers may have a bachelors degree. Preferred qualifications for all courses include professional and teaching experience, as well as professional licensure.

Information about the department can be found on the following web site: <http://www.umassd.edu/engineering/cen/welcome.cfm>

To apply, please submit a cover letter indicating availability, a detailed résumé, and the names/addresses/telephone numbers of three references to:

Ms. Peg Emanuella
Department of Civil & Environmental Engineering
University of Massachusetts Dartmouth
285 Old Westport Road
North Dartmouth, MA 02747-2300
508-999-8464

Review of application materials will begin on July 20, 2008 and continue thereafter until the positions are filled.

The University of Massachusetts Dartmouth is an EEO/AA employer
