HOUSING THEMES:

Quiet Housing:

This housing theme creates an environment conducive to a quiet lifestyle. The students and staff who reside in this designated location recognize the shared responsibility to consistently give priority to quiet academic pursuits. Residents maintain a quiet living atmosphere 24 hours a day, Sunday through Thursday. Non-quiet hours are established for the weekend. Quiet housing will be located in Roberts, Pine Dale and Evergreen Halls.

Substance Awareness Living:

This housing theme accommodates students who desire a substance free environment. Many students electing this type of housing practice a substance free lifestyle, are recovering from substance abuse, or have been adversely effected by substance abuse. Students wishing to live in this community agree not to consume alcohol, use illicit drugs, or introduce any harmful substances into the designated environment. Substance awareness housing will be located in Roberts, Pine Dale and Evergreen Halls.

Graduate Housing:

This housing theme designates an environment specifically for graduate students. In light of graduate student concentrated work loads, this designation will afford the graduate student greater opportunity to team work and exchange philosophies and principals. Additionally, living directly on campus has the advantages of proximity to all University facilities and resources. Graduate housing will be located in Cedar Dell West townhouses.
