c. Tickets will be sequentially numbered. No admittance after 12:00 a.m.

VII. FINANCIAL RESPONSIBILITY

Students who complete the event request form on behalf of their organization make their organization responsible for all costs related to the dance. Departments sponsoring dances with student attendees will be liable for all costs related to the dance. This includes, but is not limited to setup and breakdown charges, custodial overtime, technical services charges, equipment charges, and any damages that may occur as a result of the event. The university will absorb the costs of security for two events per organization per semester. After two events the organization will be responsible for 50% of the cost of security.

days prior to the scheduled date of the dance. The night of the event,
UMD Public Safety will hold a meeting that may include, as necessary, the

Operations and one or more student group signatories and other
representatives from the sponsoring student organization to discuss
security issues. The student(s) serving as the "volunteer event staff" shall
be made known to UMD Public Safety at this time and shall be present
and available throughout the event. All volunteers will be required to wear
identifiable attire.
b. The decision to decide to end a dance due to safety concerns rests with
the highest-ranking UMD officer at the dance.
c. The sponsoring group may incur additional costs if UMD Public Safety
determines that more security is needed at any time during the dance.

IX. ALCOHOL AND DRUGS

laws of the Town of Dartmouth are part of the alcohol policy and this
abbreviated policy statement should not be interpreted to exclude such
laws, rules, regulations, or policy statements. All organizations and
individuals are encouraged to read and understand the University policies
relative to the use, sale and serving of alcoholic beverages. Lack of such
knowledge shall not constitute a reasonable excuse for policy violation.
d. The use/sale/or possession of illegal drugs is strictly prohibited.
F. SECURITY POLICY

UNIVERSITY OF MASSACHUSETTS DARTMOUTH
POLICE DEPARTMENT

PURPOSE

The following guidelines have been developed to assist university staff and/or student organizations in sponsoring events, functions, concerts and dances, and to ensure the success and safety of these events. All officers are to make themselves familiar with this policy and review it prior to working any event/function/detail covered by this provision.

The UMass Public Safety Department shall determine the necessary security and/or police staffing for all events held on university property and/or in university facilities where concerns for safety and property exist.

Determination of the need and amount of security and/or police coverage will be made on an event-by-event basis. However, the following circumstances will have a critical factor:

• Type of Event
• Time of Event
• Location of Event
• Attendance Expected and/or Anticipated
• Cash Being Collected
• Alcohol Being Served
• Metal Detectors may be utilized if requested and/or required

GENERAL GUIDELINES

1. The Department of Public Safety will provide security and crowd control inside and outside the event/function.

2. Detail personnel will report 30 minutes prior to the start of the event/function.
3. The Detail Senior Officer and the Evening (4p-12a) Shift Supervisor will meet with the Event Manager and Sponsoring Group Organizer, 30 minutes prior to the start of the event/function, to discuss event policy, special instructions and anticipated needs for the function.

4. The Detail Senior Officer shall acquire the names of the Event Manager, Sponsoring Group Organization and ID checkers working the event and document a Detail Function Form at the end of the event.

5. The event/function/detail Senior Officer and/or shift supervisor shall assign officers to designated posts and locations of the event:
   - Front door/Cash Counter
   - Metal Detectors
   - Upper level

6. Officers shall report to their post and not congregate during the event/function.

7. Officers shall respond to any and all requests for assistance by the Event Manager, University Officials, Student Coordinator, or other staff working the event to address any policy and guideline violations and coordinate any decisions relative to the event.

8. Detail officers will patrol and make periodic checks of the lavatories, exit doors, and office space in the event/function to insure security/safety of patrons and university property.

9. The Night Shift (12a-8a) Supervisor shall meet with the Event Manager and Sponsoring Group Organizer, no later than 30 minutes after the start of his/her shift, to assess the event status and to discuss any anticipated needs for the function.

10. Additional Public Safety staff, security and/or shift personnel will patrol external building during and after party functions.

USE OF METAL DETECTORS

In order to provide a reasonable safe and secure environment, the use of freestanding walk-through and/or hand-held metal detectors may be used to search persons attending event/function for weapons and illegal drugs.

- The Event Manager will be responsible for posting a “notice” of the use of metal detectors at the entrance(s) of the event.
- Designated trained staff and/or other security representatives will operate metal detectors.

- Any person refusing to be searched will not be admitted to the function

**DETAIL FUNCTION FORMS**

The Detail senior officer at each detail is required to complete a detail function form upon completing said event/function/detail. The shift supervisor shall be responsible for completing a Detail Function Form in the absence of a Public Safety Senior Detail Officer. These forms are quite important, because they provide information relative to future scheduling of similar details, such as manpower required, etc.
