Online and on-demand, Atomic Learning creates flexible training opportunities with instant access to answers on common "how to" questions and step-by-step workshops and projects on assistive technology and accessibility.

Ready to get started?

Find an Answer to a Tech Question
The Find an Answer to a Tech Question area allows you to quickly find the answer to a specific how-to technology question.
- Type your question or keywords into the text field.
- Set any filters you’d like to use in the dropdown menus below. By checking the box next to ‘View only preferred filters’ you may limit result to your preferred training.
- Click the ‘Search’ button.
- The resulting list contains application titles. Click an application title to expand the list and displaying individual lessons, then click a lesson title to view the tutorial in the player window.

Browse Available Training & Projects
The Browse Training area allows you to quickly access available resources with a few simple clicks and browse all available training topics.

Tutorials
Atomic Learning offers a complete training library of show-and-tell training tutorials on over 50 assistive technology programs and devices. Plus training on accessibility features of common applications and operating systems.
- To access the tutorial library, check the ‘Tutorials’ box.

Workshops
Workshops offer an in-depth look at a concept or tech-related topic.
- Access a full list of available topics by checking the ‘Workshop’ box

Projects
Atomic Learning projects illustrate how to use and apply technology.
- To access Atomic Learning’s selection of projects, check ‘Projects’.
- To view a complete list of projects, click the ‘Find’ button, or filter projects using the available dropdown menus before clicking ‘Find’.

My Training
The ‘My Training’ area includes your Favorites. Depending on your subscription, you may also find Assigned and Recommended Training in this area.

Favorites
As you browse and search for tutorials, you’ll notice a gray star icon next to each tutorial. Clicking the star or ‘Add to Favorites’ when viewing a tutorial will add the tutorial to your Favorites list.
- To view a tutorial in your Favorites, click the tutorial title
- To view a complete course, click the series title.
- To remove a tutorial from your Favorites, click the trash can icon in the right column, and then click ‘OK’ in the confirmation box.

Assigned Training
Here you will see a summary list of training that’s been assigned to you.
- Each assignment has a due date, which turns green when due within seven days and red when overdue.
- The ‘Progress’ column shows how many assigned tutorials have been viewed.
- To view your assigned training, click the assignment name or ‘View’.
- Once the assignment is opened, view other assigned tutorials by clicking the ‘Tutorial Playlist’ button in the player window.

Recommended Training
If training has been recommended to you, it will be listed here.
- To view a tutorial, click its title.
- To remove a tutorial from the list, click the trash can icon.
- To create an assignment from a recommended item, click the book icon in the right column, then enter a name date.
