Articulation Agreement of Academic Programs
between
Bristol Community College and UMass Dartmouth

The above institutions hereby enter into an agreement to facilitate the transfer of students enrolled in the Associate’s Degree program in Engineering Transfer: Engineering Science at Bristol Community College into the Bachelor’s Degree program in Electrical Engineering at University of Massachusetts Dartmouth.

University of Massachusetts, Dartmouth’s designated representative will be the Senior Coordinator for New Student Transfer and Bristol Community College’s representative will be the Director of Transfer Affairs

UMass Dartmouth Approval

[Signature]
Magali Carrera
Vice Provost for Undergraduate Studies

[Signature]
Robert E Peck
Dean, College of Engineering

[Signature]
Antonio Costa
Chairperson, Electrical and Computer Engineering

Bristol Community College Approval

[Signature]
Greg Setährès
Vice President for Academic Affairs

[Signature]
Anthony Ucci
Associate Vice President of Academic Affairs

[Signature]
Sarmad Saman
Dean of Mathematics, Science and Engineering

[Signature]
Robert S Rak
Department Chair of Engineering, Acting

Date 03/04/15
Objectives:

1. To attract qualified students to Bristol Community College and University of Massachusetts, Dartmouth.
2. To promote and facilitate an efficient transition of transfer students between institutions.
3. To provide specific information and guidelines for transfer students.
4. To encourage academic coordination and cooperation, including curricular reviews, on-site visits, and joint academic advising for students attending Bristol Community College.

Stipulations and Guarantees:

1. University of Massachusetts Dartmouth guarantees acceptance of Bristol Community College students who complete the Engineering Transfer: Engineering Science program with a cumulative GPA of 2.5.
2. Transfer students who complete the prescribed courses as designated in the attached articulation agreement with a C- or better will be guaranteed that sixty-eight and one half credits will transfer and be applied to the University of Massachusetts Dartmouth Electrical Engineering baccalaureate degree.
3. University of Massachusetts Dartmouth guarantees a Massachusetts full tuition waiver for Bristol Community College students who complete the Engineering Transfer: Engineering Science program with a cumulative GPA of 3.0. The tuition waiver is renewable if GPA is maintained 3.0 or better.

Mutual Responsibilities:

1. Both institutions agree to maintain current listings of the course equivalencies. This will be the responsibility of the two designated representatives.
2. Bristol Community College and University of Massachusetts Dartmouth will incorporate a summary of this agreement into official publications and web sites.
3. Bristol Community College and University of Massachusetts Dartmouth agree to encourage qualified students to participate in this program by providing information, advising and other assistance required to foster a seamless transition from the two-year institution to the four-year institution.

Review/Revision:

1. Both institutions will periodically review this agreement. Substantive changes in the courses or program of either institution will require a review of this articulation agreement. Revisions will be implemented with one year notice prior to termination of the agreement.
Articulation Agreement

Institution: Bristol Community College
Date: Spring 2015
Transfer Institution: UMASS Dartmouth

Summary of Benefits:
- Guaranteed Admission with a cumulative GPA of 2.5
- Massachusetts full tuition waiver for students with a cumulative GPA of 3.0 (renewable if GPA is maintained 3.0 or better)
- Guaranteed transfer and applicability of 64.5 credits
