PREAMBLE

This agreement entered into by the University of Massachusetts, hereinafter referred to as the Employer, and the Union will set forth procedures for the equitable resolution of grievances, the terms of employment with respect to wages and working conditions, and means by which the parties may consult periodically on mutually perceived problems.
ARTICLE 1
RECOGNITION

The employer recognizes the Union as the sole and exclusive bargaining agent for the purpose of establishing wages, hours, standards of productivity and performance and other terms and conditions of employment for all full-time and regular part-time employees in this bargaining units presently certified by the Labor Relations Committee or consented to by the parties.

Should any new classified classification(s) be added to the workforce, the Employer shall notify the appropriate Union of such new classification(s). The Employer and Union shall consult to mutually determine if such new classification(s) shall be added to the bargaining unit. If the parties cannot agree, the matter may be referred to the State Labor Relations Commission by either party, with a request that the Commission make that determination.

The Employer will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining or make any agreement with any such group or individual for the purpose of undermining the Union or changing any condition in the Agreement.

The Employer agrees to apply applicable provisions of this Agreement to those employees who receive all contractual benefits, whose funding source is derived from grants or other non-state appropriated funds and who perform the functions of those positions covered by this Agreement to the extent that the terms of their respective grants or non-state appropriated funding source and the level of funding thereunder so allow, as determined by the Chief Executive Officer of the campus or his/her designee.
ARTICLE 2
RULES AND REGULATIONS

The parties agree that this Agreement in all respects supplants and replaces all particular provisions of the following General Laws of the Commonwealth of Massachusetts and Rules and Regulations thereto and any future rules and regulations promulgated thereunder namely: the Second Paragraph .3 of Section Twenty-Eight of Chapter Seven (Red Book); Section Twenty-Four A; Paragraphs (4) and (5) (Gray Book), formerly paragraphs 5 and 6 of Section Forty-Five; paragraphs (1), (4) and (10) of Section Forty-Six, and Section Fifty-Three of Chapter Thirty; Sections Thirty to Forty-Two, inclusive, of Chapter One Hundred and Forty-Nine.

2. Administrative positions created or refilled (with the exception of #1. above) after the execution date of this agreement shall be scheduled so that officers have consecutive days off, at least one weekend day off and shall have a consistent daily schedule (I.E. days, evenings, nights): however, the parties may mutually agree to vary this schedule.
3. If Lieutenants within the department are assigned to a five and two schedule, which will also include two consecutive days off, one off which will be a weekend day, their schedule may be changed no more than three (3) times during a calendar year, except by mutual agreement.

Section 2. Overtime
A. An employee shall be compensated at the rate of time and one-half his/her regular rate of pay for authorized overtime work performed in excess of forty hours per week or eight hours per day; provided, however, that an employee whose regular workday is more than eight hours shall be compensated at the rate of time and one-half of his/her regular hourly rate of pay for authorized overtime work performed in excess of his/her regular workday.
B. Compensatory time off in lieu of pay for overtime work may be granted to any employee at the option of the Chief Executive Officer or his/her designee and with the consent of the employee. Such compensatory time shall be at time and one half for each hour worked. The appointing authority shall not, for the purpose of avoiding the payment of overtime, curtail the scheduled hours of an employee during the remainder of a workweek in which the employee has previously worked hours beyond his/her normally scheduled workday. This paragraph shall not apply to employees who, because of the nature of the duties of their positions, work an irregular workday, nor shall it apply to employees who have been permitted by the Employer to participate in an approved voluntary flexible hours program that has been duly authorized by the Chief Executive Officer or his/her designee.
C. At time for which an employee is on full pay status such as sick leave, vacation, holidays, paid education leave, and paid Union leave shall be considered time worked for the purpose of calculating overtime compensation.
D. There shall be no duplication or pyramiding of the premium pay for overtime work provided for in this Agreement.
E. The appointing authority shall make every effort to send out checks for overtime no later than the second payroll period following the payroll period of the overtime worked.
F. Overtime shall be distributed as equitably and impartially as practicable among persons in each work location who ordinarily perform such related work in the normal
course of their workweek.

G. The provisions of this Section shall not apply to employees on full travel status.

H. In instances where no employee can be found to perform institutional overtime work, the appointing authority may assign such work to the lease senior employee who, in the judgment of the appointing authority, is capable of carrying out the required duties.

Section 3. Regular Meal Periods
A meal period shall be scheduled as close to the middle of the shift as possible considering the needs of the institution and the needs of the employees.

Section 4. Rest Periods
Employees shall be granted two fifteen minute rest periods per work day of at least 7.5 hours, but separate from the meal period.

Section 5. Call Back Pay
Effective on the date of signing of this Agreement, an employee who has left his/her place of employment after completing work on his/her regular shift and is called back to work prior to the commencement of his/her next scheduled shift shall receive a minimum of four hours pay at his/her regular hourly overtime rate. This Section shall not apply to an employee who is called in to start his/her shift early and who continues to work that shift.

Section 6. Court Time
Any member of the bargaining unit who, while off duty, is required by the appointing authority to appear as a witness for the Commonwealth in a criminal case, in District, Juvenile or Superior courts, or License and Police Commissions, show cause hearings and civil cases arising out of such criminal cases, and University Judicial Hearings, shall be paid at a rate of time and one-half. The unit member will be paid a minimum of four (4) hours at the time and one-half rate.

Section 7. Shift Differential
A. Employees rendering service on a second shift, as hereinafter defined, shall receive a shift differential of 75 cents per hour for each hour worked, and employees serving on the third shift shall receive a differential of $1.50 per hour for each hour worked.

B. For the purpose of this Section only, a first shift shall commence at 8:00 A.M. through 4:00 P.M.; a second shift shall be one that commences at 4:00 P.M. through midnight; and a third shift shall be one that commences at midnight through 8:00 A.M.
C. The above hourly shift differential shall be paid in addition to regular salary for eligible employees when their entire workday is on a second or third shift. Eligible employees who are required to work a second or third shift or any portion thereof on an overtime basis, replacing a worker who normally works such second or third shift, will receive an hourly differential pursuant to paragraph A of this section.

D. For employees who are required to work a second or third shift as governed by paragraph C of this section, overtime shall be compensated at the rate of time and one-half of the regular salary rate and the shift differential for the number of hours in excess of forty (40) hours per week worked on such second or third shift.

E. For the purpose of computing overtime pay of employees covered by this Section the procedure to be followed shall be:

Step 1: Compute salary due the employee as if all hours worked were at the straight time rate;
Step 2: Add the appropriate shift differential to the amount specified in Step 1;
Step 3: Divide this sum by the total number of hours worked in that week;
Step 4: Divide this quotient by two. The rate arrived at in Step 4 will apply not only to overtime service and the total compensation due the employee is determined by multiplying the number of overtime hours by the rate. The product when added to the amount shown after step 2 above equals the total compensation due for the week.

Section 8. Third Party Details
The Department Head/designee shall post detail vacancies at least one hundred sixty-eight (168) hours in advance of the start time of said detail to allow adequate notification for IBPO members to signup. IBPO members will be required to signup for posted details at least ninety-six (96) hours prior to the start of said detail. If the Department Head/designee fails to post the notification within the one hundred sixty-eight (168) hour notification period, members will have forty-eight (48) hours prior to the start of said detail to signup. Any notification made less than forty-eight (48) hours shall be assigned as short notice. It is the responsibility of each member to check the available postings and signup for those that they wish to be considered.

There shall be a minimum of four (4) hours’ pay at the overtime rate for any detail. Any detail lasting more than four (4) hours shall have a minimum of eight (8) hours’ pay at the overtime rate. The Department of Public Safety shall require notice of cancellation of any detail from the requestor to the Department of at least four (4) hours prior to the time the detail was scheduled to begin. If the requestor fails to
notify the Department of Public Safety within the four (4) hour time limit, any officer assigned to the detail shall receive four (4) hours’ pay at his/her overtime rate.

The Department Head shall have the authority/ability to designate nine (9) separate events during the year (July 1 through June 30), such as Graduation, move-in day(s) or other campus events during which vacation time may be restricted and mandatory overtime may be required. The Department Head will notify the Union forthwith, but not less than twenty-four (24) hours prior to the event of such designation in order to plan for adequate coverage for the event. When details are not adequately staffed on a voluntary basis, details shall be assigned on the basis of inverse seniority.

Section 9. Roll Call/Shift Briefing

Bargaining unit members will be required to report to duty fifteen minutes prior to the commencement of their assigned shift. Bargaining Unit members shall be compensated at a rate of time and one-half his/her regular rate of pay. Members who do not appear for Roll Call Duty at the appointed time shall be subject to the Disciplinary Action defined in Article 28 of this agreement.

Bargaining unit members will be allowed to bid on shift preference and days off based on classification seniority. Upon mutual agreement of both the Union and the Department Head, biannual shift bidding procedures may be implemented during specific times established during the course of this agreement.

If a vacancy exists for a patrol position, it may be filled on a temporary basis for a maximum of thirty (30) days. At the expiration of 30 days, the position shall be subject to the shift bid process.
ARTICLE 8
LEAVE

Section 1. Sick Leave

(a) A full-time employee shall accumulate sick leave with pay credits at the rate of one day for each full payroll month of employment for a total of 12 days per year. An employee on any leave with pay or industrial accident leave shall accumulate sick leave credits.

(b) A regular part-time employee shall accumulate sick leave credits in the same proportion that his/her part-time service bears to full-time service.

(c) Sick leave shall be granted, at the discretion of the appointing authority, to an employee only under the following conditions:

1. when an employee cannot perform his/her duties because he/she is incapacitated by personal illness or injury;
2. when through exposure to contagious disease, the presence of the employee at his/her work location would jeopardize the health of others;
3. when the spouse, child, foster child, step-child, parent, step-parent, brother, sister, grandparent, grandchild, of either an employee or his/her spouse, or a domestic partner of the employee is ill, the employee may use sick leave credits up to a maximum of sixty (60) days per fiscal year. A full-time employee shall not accrue sick leave credit for any hour in which he/she was on leave without pay or absent without pay.

(d) Whenever the Chief Executive Officer (CEO) or his/her designee has reason to believe that sick leave is being abused or whenever an employee has been absent on account of sickness in excess of five (5) days, the CEO or designee may require the employee to present a physician's statement indicating the medical reason for any absence on account of sickness. Failure of an employee to present such statement seven (7) working days after a request therefore has been made by the CEO or designee, may, at the desertion of the CEO or designee, result in the absence being treated as absence without pay.

(e) The appointing authority may require that an employee, wishing to return to work after an absence of more than 5 consecutive working days because of illness or injury, be examined by a physician designated by the appointing authority and/or by a physician of the employee's choosing. If the appointing authority requires the employee to be examined by its designated physician, the appointing authority shall assume the cost of such examination.
The results of such examination(s) must attest to the fitness of such employee to return to his/her regularly assigned duties.

(f) Sick leave must be charged against unused sick leave credits in units of one half (1/2) hour or full hours, but in no event may the sick leave credits used be less than the actual time off.

(g) Any employee having no sick leave credits, who is absent due to illness, may be placed, unless otherwise notified by the employee, on personal leave, or, if no personal leave credits, then on vacation leave. Such leave shall be charged on the same basis as provided in subsection (6).

(h) An employee who is reinstated or re-employed after an absence of less than three (3) years shall be credited with his/her sick leave credits at the termination of his/her prior employment. An employee who is reinstated or re-employed after a period of three (3) years or more shall receive prior sick leave credits, if approved by the appointing authority where such absence was caused by:

1. Illness of said employee;
2. Dismissal through no fault of delinquency attributable solely to said employee; or
3. Injury while in the employment of the Employer in the line of duty, and for which said employee would be entitled to receive Worker's Compensation benefits.

(i) A regular part-time employee shall not accrue sick leave credit for any hour in which he/she was on leave without pay or absent without pay in the same proportion that his/her service bears to one day of service of a full-time employee.

(j) Notification of absences under this Article must be given to the designated representative of the appointing authority at least one hour prior to the beginning of the scheduled tour of duty. If such notification is not made, such absence may, at the discretion of the appointing authority, be applied to absence without pay. In extraordinary circumstances beyond the control of the employee, the above notification period may be waived.

(k) No employee shall be entitled to a leave under the provisions of this Article in excess of the accumulated sick leave credits due such employee (including any sick leave bank provisions).

(l) Employees whose service with the Employer is terminated shall not be entitled to any compensation in lieu of accumulated sick leave credits. Employees who retire shall be paid twenty percent (20%) of the value of their unused accrued sick leave at the time of their retirement. It is understood that any such payment will not change the employee's pension benefit.

(m) Sick leave credits earned by an employee following a return to duty after a leave without pay or absence without pay shall not be applied to such period of time.
(n) A University Police Officer, who, while in the performance of his/her duty receives bodily injury(s) resulting from activities that are related to the accomplishment of police functions and who as a result of such injuries would be entitled to benefits under Chapter 152 of the General Laws, shall, if entitled under Chapter 30, Section 58 of the General Laws, be paid the difference between the weekly cash benefits to which he/she would be entitled under said Chapter 152 and his/her regular salary without such absence being charged against available sick leave credits, even if such absence may be for less than six (6) calendar days. Determination of eligibility shall be at the sole discretion of the Director of Public Safety. The standard of whether an injury occurs in the line of duty is greater than that required for Workers Compensation eligibility. Not only must the injury have occurred in the performance of a UPO's duty, but the particular duty must be established as uniquely related to police functions.

If the Director of Public Safety rules that an employee is ineligible, the UPO may appeal the decision within three (3) business days (Monday through Friday, exclusive of weekends and holidays) to an expedited appeals board consisting of one person from the UPO's IBPO unit, the Director of Human Resources or designee, and the Vice Chancellor of Student Affairs or designee. This appeals board shall convene a hearing and issue a decision within ten (10) days of the filing of the request by the officer.

The decision of the appeals board may be appealed within 21 calendar days by the employee to the Chancellor or designee. A decision shall be rendered within 30 calendar days of receipt of the appeal and shall be final.

(o) Employees are eligible to cash in their annual unused sick leave credits, up to a maximum of six (6) days at 50% of their value as outlined in the table below:

TUITION REMISSION AND TUITION WAIVER POLICY

The following Board of Higher Education Policy on Tuition Remission and University Policy on Tuition Waiver shall be applicable to bargaining unit members:

Section 1. Tuition Remission

A. Full-Time Employees

1. Eligibility

a. All full-time employees of a public college or university who have completed at least six (6) months of service as of the date of enrollment, shall be eligible for system-wide tuition remission benefits. Employees on paid leave of absence or industrial accident leave remain eligible during the period of any such leave. Employees on unpaid leave shall remain eligible for a maximum of one calendar year. Retired or former employees shall not be eligible; however, the spouse and dependent children of retired, former, or deceased employees may retain eligibility under certain conditions (see c, d, and e, below).

b. The spouse and dependent child or children of any eligible employees shall also be eligible for system-wide tuition remission benefits. A "dependent child" shall mean any natural, adopted or step child who is claimed as a dependent on the eligible employee's Federal Tax Return for the tax year immediately preceding enrollment. No employee's child beyond the age of twenty-five (25) shall be eligible for tuition remission; provided, however, that in exceptional circumstances and for good reason the President of the public college or university granting the tuition remission may waive this age limitation for an employee's child who continues to meet the IRS standards of dependency.

c. If an eligible employee retires while a child or spouse is enrolled in a program or study or degree program, the child or spouse may complete such program with tuition remission, provided that enrollment is continuous.
d. If an eligible employee who has completed at least five (5) years of full-time equivalent service dies, the surviving spouse and children shall be eligible to enter and/or complete one full program with tuition remission. The term "program" as used in this Section d and the above Section c shall include, but not limited to, any program of study begun at a Community College and continued without interruption through the Bachelor's degree at a State College or University.

e. If an eligible employee leaves the employment of higher education under conditions other than those described in c and d, above, while a spouse or child is enrolled in a course/program, the spouse or child may complete the semester already begun. At the end of the semester his/her eligibility for tuition remission terminates.

2. Applicability.
Tuition remission shall be provided to eligible employees, their spouse and dependent children as follows:

a. For enrollment in any State-supported course or program at the undergraduate or graduate level at any Community College, State College or University excluding the M.D. Program at the University of Massachusetts Medical School, full tuition remission shall apply.

b. For enrollment in any non-State-supported course or program offered through continuing education, including any community service course or program at any Community College, State College, or University, fifty percent (50%) tuition remission shall apply.

c. Tuition remission shall apply to non-credit as well as credit bearing courses.
3. Limitations
   a. Employees (or their spouse or dependent children) receiving tuition remission are responsible for the payment of all other educational costs, including fees (application, laboratory, etc.), books, and supplies.

   b. Employees (or their spouse or dependent children) must apply for admission and meet all admissions standards for the desired course/program.

   c. Admission to all courses/programs in continuing education is on a space available basis. Further, each local campus administration reserves the right to cancel any continuing education course in which a minimum number of full tuition-paying students, as determined by the administration, has not enrolled.

   d. Tuition remission benefits are non-transferable.

4. Certification Process
   To qualify for tuition remission, an employee must take the following steps:
   a. Apply for, and be admitted to, the desired course/program.
   b. Complete a "Certificate of Eligibility for System-wide Tuition Remission" (Appendix E) and have it signed by his/her Department Head or Supervisor and by a Human Resources Officer of the college or university at which he/she is employed. If the tuition remission is to be used by the employee's spouse or dependent child, the name and relationship of this individual should be indicated on the certificate. The certificate should be completed as far in advance of the date of enrollment as possible.
   c. Submit the completed Certificate of Eligibility with his/her tuition bill to the college or university at which he/she plans to enroll. The employee (or his/her spouse or dependent children) must remit payment at the same time for costs not covered by tuition remission.
   d. It is the responsibility of the employee to ensure that the Certificate of Eligibility is approved in a timely fashion. Retroactive tuition rebates will not be made except in unusual circumstances beyond the control of the employee.
5. Continuation of Existing Benefits
The implementation of this policy shall not limit or preclude any tuition remission benefits currently enjoyed by higher education employees under the terms of applicable collective bargaining agreements or personnel policies.

6. Interpretation of this Policy
The Chancellor or his/her designee shall have the sole authority to resolve any dispute concerning the interpretation and application of this policy. The Chancellor may amend or modify this policy from time to time as he/she deems appropriate and necessary. No dispute or claim of benefits arising from this policy shall be the subject of a grievance or arbitration procedure.

B. Part-time Employees

1. Eligibility
   a. All part-time employees who are members of a collective bargaining unit, who are paid from the 01 or 02 Subsidiary Account, and who have completed at least six months of full-time equivalent service as of the date of enrollment, shall be eligible for system-wide tuition remission benefits. No other part-time employees shall be eligible for system-wide tuition remission.
   b. The spouse and dependent child or children of any eligible part-time employee shall also be eligible for system-wide tuition benefits. The age limitation and IRS dependency standards set forth in the Regent's System-wide Tuition Remission Policy shall apply to children of eligible part-time employees.

2. Applicability
   Tuition remission shall be provided to eligible part-time employees, their spouse and dependent children as follows:
   a. For enrollment in any State-supported course or program at the undergraduate or graduate level at any Community College, State College, or University, excluding the M.D. program at the University of Massachusetts Medical School, fifty percent (50%) remission shall apply.
b. For enrollment in any non-State course or program offered through continuing education, including any community service course or program, at any Community College, State College, or University, twenty-five percent (25%) tuition remission shall apply.

c. Tuition remission shall apply to non-credit as well as credit-bearing courses.

In all other respects, the provisions of the Regent's System-wide Tuition Remission Policy shall be applicable to eligible part-time employees.

Section 2. University Tuition Waiver
Employees, Spouses, Domestic Partners and Dependent Children

1. Eligibility

a. All professional and classified employees of the University are eligible for tuition waivers. Professional and classified employees of the University shall be defined as those individuals who are state or trust-funded employees receiving University benefits and salary through the regular University of Massachusetts payroll.

b. Employees on sabbatical leave, professional staff leave or leave of absence without pay are employees and should be considered eligible. Employees on disability or sick leave are employees and should be considered eligible. Any individual who has ceased employment and is on insurance-covered disability should not be considered eligible. Retirees are not eligible.

c. A spouse, domestic partner, and/or dependent children of full-time employees shall be eligible for tuition waivers, except that no employee's dependent child beyond the age of twenty-five (25) shall be eligible for tuition remission benefits; provided, however, that the President of the University may, in exceptional circumstances and for good reason, waive this age requirement for individual students who, although beyond the age of twenty-five (25), nonetheless meet the tests of dependency established by the Internal Revenue Service. Further, tuition remission benefits shall be of no application to any student enrolled at the University of Massachusetts Medical School in courses leading to the M.D. Degree. A full-time employee shall be considered any individual who is a forty-three week contract employee.
An employee's length of service should not affect the eligibility of his or her spouse, domestic partner or dependent children, with the following exceptions:

d. If an employee leaves the employment of the University while a spouse, domestic partner or child is enrolled in a program of study, the spouse, domestic partner or child may complete the semester course already begun. At the end of the semester his/her eligibility ceases.

e. If an employee who has completed at least five years of full-time service (or equivalent, as determined by the campus), dies, his/her spouse, domestic partner or dependent child shall remain eligible for the program of study or degree program in which they are enrolled, and any spouse, domestic partner or dependent child not currently enrolled in a program of study or degree program at the University shall be eligible for one such program of study or degree program. This five-year length of service requirement does not apply to full-time faculty members or librarians except for those in rank of lecturer or instructor.

f. In the case of a spouse, domestic partner or dependent child of an employee of the University who retires, such spouse, domestic partner or dependent child who has begun a program of study prior to the official retirement date may complete his/her program providing the program of study is continuous.

The benefits herein apply only to employees who are specified and are non-transferable.

2. Coverage
   a. The tuition waivers herein apply to all existing undergraduate and graduate programs at the University, with the exception of Continuing Education Programs.
   b. Tuition waivers do not cover such fees as lab and application fees. The waiver of related fees is at the discretion of the campus according to existing campus
guidelines for all students. Fee waivers shall be for eligible employees only, and do not include Continuing Education programs, in accordance with campus policy.

3. Effective Date
   a. This policy shall take effect at the beginning of the spring semester, 1983.

4. Application of Administration
   a. Admission shall be governed by campus admission policies; spouses, domestic partners and dependent children shall meet all admission criteria to enroll and shall meet campus program standards and requirements to continue.
   b. The request for tuition waiver must be approved by an employee's Department Head or Supervisor and the appropriate Admission's Office (employees with a Baccalaureate degree must register through the Graduate School). An application for admission must be processed through the appropriate admissions office prior to registration.
   c. Waivers shall be granted on a semester-to-semester basis. Waivers shall be granted in the case of a spouse, domestic partner or dependent child only after the spouse, domestic partner or dependent child has met admission criteria, been admitted, and been billed for the courses for which he/she has enrolled.

5. Specific Benefits and Procedures
   a. Full-time employees who enroll in one or more courses may be granted complete tuition waivers for each course. For employees employed on at least half-time basis but less than full-time, no more than seven tuition-free credits may be approved for any one semester or summer. Employees employed less than one-half time are not eligible for tuition waivers.
   b. An employee may take one course per semester (not to exceed four credits) during his/her normal working hours. It is required that the employee arrange to make up an equal amount of work time except in the case where there is a direct and immediate relationship between the courses and the employee's work. In such case, a request may be made for the "release" rather than "make-up" time. This request must be approved by the employee's supervisor and the campus Human Resources Office.
6. Implementation of Tuition Waiver Policy

The Chancellor of each campus, who will retain the authority for implementing this policy and for the ongoing collection of adequate data concerning distribution of tuition waivers, may delegate this authority to the Vice Chancellor for Academic Affairs. In addition, the Office of the President shall assume lead responsibility for establishing a timetable for policy implementation.

Tuition Waiver

The spouses and dependent children of unit members who enroll in regular day courses or programs (as opposed to courses or programs in which the spouse or dependent child enrolls through an office of professional and continuing education) that are eligible for tuition waiver shall be exempt from increases in mandatory general fees over the amount of such fees in effect upon execution of this Agreement until June 30, 2012.

Section 7.
The purpose of the probationary period is to provide for the evaluation of an employee over a period of six (6) months. The employee will be notified of this extension and the reasons for it.

Section 8.
At the completion of the first three (3) months of such probationary period and again within one (1) month prior to the completion of his/her probationary service, each probationary employee shall be evaluated by his/her immediate supervisor. Such evaluation shall be recorded in writing by the immediate supervisor. The immediate supervisor shall also indicate his/her recommendation for the retention or termination of such employee. Such employee shall receive a written copy of the immediate supervisor's evaluations and recommendations and shall, upon written request submitted within seven (7) days of receipt, be entitled to meet with the immediate supervisor to discuss the evaluation and recommendation prior to their transmittal to the Chief Executive Officer of the campus or designee.

ARTICLE 24
EVALUATION OF EMPLOYEES

Section 1.
Performance evaluations are designed to serve the needs of both the employee and the Employer. An organized program for employee performance evaluation will:

1. Improve employee satisfaction and potentially reduce employee absenteeism, turnover, and grievances;
2. Serve as an important motivational tool and improve the quality of job performance;
3. Enhance the ability to achieve Affirmative Action goals through improved supervisor-employee communication;
4. Base personnel actions and taking disciplinary action on objective, accurate and fair performance appraisals;
5. Monitor the performance of probationary employees on a timely basis.

Performance evaluation is the review and rating of all factors relevant to an employee's effectiveness on the job. It involves observation, guidance, training and open communication between the employee and supervisor. For it to be of significant benefit to both the individual employee and the employer, it should be a continuous process.

Performance evaluation should be seen primarily as a development tool. Its purpose is to assess an employee's job-related strengths and weaknesses and develop his/her competence to the fullest. In a correctly executed evaluation, the supervisor and the employee work together to find the means by which the employee's ability can be strengthened and directed.

Section 2.
Performance evaluation of an employee shall be made annually by the immediate supervisor, following the anniversary date of initial hire or appointment to present position with the exception of a probationary employee who shall be evaluated at the completion of the first three (3) months of probationary service and within one month prior to the completion of the probationary period. Such evaluation will be recorded in writing on a form similar to the one attached hereto as Appendix E and shall be made on the basis of the following criteria:

1. Quality and quantity of work;
2. Work habits;
3. Work attitudes;
4. Working relationships with others;
5. Supervisory ability (if employee supervises others).

ARTICLE 25
SAFETY PROCEDURES

The Employer shall comply with any and every applicable statute, federal and state, and with any such rules and regulations as may be promulgated thereunder, that govern the conditions of health and safety in the place of work of its employees. The appointing authority may promulgate and enforce any such rules and regulations as it may deem appropriate from time to time to provide for the safety of its employees and to ensure compliance with any such statute or with the rules and regulations promulgated thereunder.

All work-related injuries shall be reported to the appropriate administrator immediately upon their occurrence in accordance with the procedures in effect at the Institution. Grievances involving the interpretation or application of the provisions of this Article may be processed through Step 4 of the Grievances Procedures set forth in Article 29 of this Agreement but shall not be processed to Step 5 thereof.
ARTICLE 26
LABOR/MANAGEMENT COMMITTEE

Section 1.
There shall be established a committee to be known as the Labor/Management Committee. Such Committee shall be comprised of four (4) members: two (2) representing the campus administration and two (2) representing the Local. Such representatives shall respectively be appointed by the Chancellor of the campus and the Local within sixty (60) days of the date of execution of this Agreement.

Section 2.
The purpose of said Committee shall be to discuss matters of mutual concern to the University and the Local. There shall be at least two (2) meetings per year, unless mutually agreed otherwise. The current practices on any issue discussed by the Committee shall remain in full force and effect until a Memorandum of Understanding has been executed by the parties. It is understood that said Committee will not discuss pending grievances and shall have no power to negotiate, alter, or amend the terms of this Agreement.

This committee will also compile and review all current and active MOU's and incorporate them into the appropriate articles of the CBA. Where there is not a specific article to apply the MOU to, the committee will add it to the CBA as an addendum. The committee will require all existing MOU's to be presented from both parties represented in this agreement, or they will be considered to not be in effect. All future MOU's will contain language stating that they will expire with the expiration of the current contract or will be incorporated into the successor agreement. This process shall be completed in a timely manner, and not to exceed one (1) calendar year from the date of the execution of this agreement.

Section 3. Payroll System
The University and the Union agree that all employees shall have their net salary checks electronically forwarded to an account or accounts selected by each employee. In the extraordinary event that the Union alleges that an employee cannot comply with the electronic transfer of salary checks due to severe hardship such as inability to access a bank or financial institution during off hours, or there is no ATM available within a reasonable geographic distance from an employee's home, the Union shall request that the Human resources Department grant a Direct Deposit Exemption. The Human Resources Department will review the request and respond within thirty (30) days of receiving such request. Denials of Direct Deposit Exemption Requests shall not be subject to the contractual Grievance and Arbitration Procedure.
ARTICLE 27
SICK LEAVE BANK

Upon the date of execution of this Agreement, a Sick Leave Bank may be established for each unit covered by this Agreement where such bank does not currently exist.

Every sick leave bank that exists at any institution prior to the effective date of this Agreement shall be deemed to have been established pursuant to the provisions of this Agreement, and any employee who is a member of any such bank on the effective date of this Agreement may remain a member thereof subject to the terms and conditions of this section.

During the term of this Agreement, an employee who is not a member of the Sick Leave Bank may become so by assigning to the Bank one (1) or more full days of his/her personal sick leave accumulation, during the annual thirty (30) day period established by the Union Management Committee for such purpose.

A member of the Sick Leave Bank shall be eligible to draw upon the Bank after the exhaustion of the member's personal sick leave, vacation leave, personal leave accumulation as well as any compensatory days.

The Sick Leave Bank shall be administered by a joint Union Management committee with majority representation of Union members. The Committee shall establish applicable rules and regulations not in conflict with this Article.

This local Union-Management committee will determine at what level the Sick Bank will be replenished. However, members can donate one or more full days each time it is required that the Bank be replenished.

Any member of the Bank wishing to remain a member thereof and who has exhausted his/her personal sick leave accumulation shall assign such additional full day or days as of the date on which such member is next entitled to personal sick leave.

A member of the Sick Leave Bank shall begin drawing on the Bank only upon presentation of a medical certificate satisfactory to the Sick Leave Bank Committee. Such medical certificate shall
be signed by a physician and shall set forth the nature of the employee’s illness or disability and its anticipated duration. A unanimous vote of the Sick Leave Bank Committee shall be required to authorize the employee to begin drawing on the Sick Leave Bank.

After an employee has drawn on the Bank for ten (10) working days, his/her case shall be reviewed by the Sick Leave Bank Committee which may, by unanimous affirmative vote, authorize the employee to continue drawing on the Bank. This process shall be repeated after each successive period often (10) working days. Notwithstanding the foregoing, any employee drawing on the Sick Leave Bank may at any time be disqualified from continuing to draw on the Bank by unanimous vote of the Sick Leave bank Committee.

Any personal vacation leave, sick leave or personal leave which accrues to an employee during a period in which he/she is drawing on the Sick Leave Bank shall be credited automatically to the Sick Leave Bank.

Any provisions of this Article to the contrary notwithstanding, for those Sick Leave Banks in existence on the date of execution of this Agreement, the current Committee structure shall continue; provided, however, that at least one management representative shall be a member of each Committee. All decisions that the Committees are empowered to make pursuant to this Article shall be by majority vote.
ARTICLE 28
DISCIPLINARY ACTION

Section 1.
The parties agree that the purpose of discipline in a labor intensive enterprise is to insure, through corrective action, that the employees conduct themselves in a responsible manner. Progression from less severe to more severe corrective action is intended to bring about a change in behavior rather than simply to punish. The parties further acknowledge that it is not possible to agree upon the full range of potential corrective actions which may be taken by an employer or its representatives, particularly in a diverse statewide system of higher education.

Section 2.
An employee having successfully completed the required probationary period shall not be discharged, suspended or demoted for disciplinary reasons without just cause. An employee who severs his/her employment with the Employer must serve an additional probationary period upon reemployment, whether in the same or a different job title.

8. Willful release of information classified as confidential;
9. Unauthorized possession of weapons;
10. Theft of willful misuse of property of the Institution or its community.

Section 4.
Recognizing the importance of counseling in effective corrective discipline, the parties agree that disciplinary action, when imposed, will progress from minor to severe for repeated failure to meet
obligations except in those circumstances which have resulted or may result in harm to the Institution or its community.

Disciplinary actions may include, but are not limited to, oral reprimand, oral reprimand with notation to the personnel file, written reprimand, suspension with pay, suspension without pay, denial of salary step increase, transfer, demotion, or discharge.

Section 5.
In the event that an employee is not given a hearing prior to the imposition of discharge, suspension or demotion for disciplinary reasons, then a grievance alleging a violation of Section 3 of this Article shall be submitted in writing by the aggrieved employee within seven (7) calendar days of the date such action was taken. The grievance shall be treated as a Step 2 grievance and Article 29 Grievance and Arbitration Procedure shall apply.

Section 6.
In the event that an employee is given a hearing prior to the imposition of discharge, suspension or demotion for disciplinary reasons, a grievance alleging a violation of Section 3 of this Article shall be submitted in writing by the aggrieved employee within seven (7) calendar days of the date such action was taken. ARTICLE 29
GRIEVANCE AND ARBITRATION

The parties recognize that MGL Chapter 150 E. Sec. 8, provides a mechanism for arbitration of disputes between the parties to a collective bargaining agreement and further provides that the parties to an agreement may establish an independent grievance procedure culminating in final and binding arbitration. It is the intent of the parties to this Agreement to use their best efforts to encourage the informal and prompt settlement of grievances which may arise between the Union or an employee or group of employees and the Employer. In the event the Union or an employee elects to pursue any matter covered by this Agreement in any other forum, the Employer shall have no obligation to process or to continue to process any grievance or arbitration proceedings pursuant to this Article or the Affirmative Action Article herein.

Any member of the Unit may initiate and pursue a grievance through the first four (4) steps of the grievance procedure without intervention by any agent of the exclusive representative, provided that the exclusive representative shall be afforded the opportunity to be present at any conference held and that any adjustment made shall not be inconsistent with the terms of this Agreement.

Any employee, may request that the Union represent him/her at the initial step of the grievance procedure. No other representative shall be permitted in Steps 1-5. If the employee chooses at any point during the grievance procedure to not be represented by the Union then the Union shall have no further responsibility to represent the employee in regard to that grievance. Failure of the Union and/or the grievant to comply with any of the provisions of this Article shall be deemed to be a waiver of the right to seek resolution of the grievance under the terms of this Agreement. In determining whether there has been any such failure to comply with any of the provisions of this Article, time shall be deemed to be of the essence, and any failure of the Union and/or the grievant to comply any of the time limits prescribed herein shall be deemed to be such failure to comply with the provisions of this Article; provided, however, that the time limits prescribed herein may be extended in any specific instance by mutual agreement of the parties.
B. Admission
The resolution of a grievance by the immediate supervisor, the Department Head, the Chancellor, the President, or any of their designees, as the case may be, shall not be deemed to be an admission by the Employer that the grievance has, for any other purpose or proceeding, standing as a grievance or constitutes as admission of any violation or breach of the terms of this Agreement, or is cognizable or justiciable according to any applicable provisions of the law of the Commonwealth.

C. Grounds of Appeal
The Employer and the Union shall have the right to appeal any final decision of the arbitrator pursuant to the provisions of Chpt. 150 E, Sec. 8, and Chpt. 150 C, Sec. 10, 11, and 12 of the General Laws.
