The Pre-Law Concentration is available to current Political Science (PSC) majors. If you are not yet a PSC major, you will need to change your major to PSC or declare PSC as a second major before you declare a Pre-Law Concentration. Please see the Political Science Department Chair (Prof. Shannon Jenkins, sjenkins@umassd.edu, LARTS 318) for the change of major form.

Name: _________________________________________________

Student ID#: _________________________________________________

Date: _________________________________________________

I would like to declare a Pre-Law Concentration within the Political Science major

Student Signature: _________________________________________________

Advisor Signature: _________________________________________________
