 Textile Design/Fiber Arts

College of Engineering

Civil Engineering
Computer Engineering
Computer Science
Electrical Engineering
Mechanical Engineering
Physics
Materials and Textiles

Residency Information

As a state-supported University, we must keep accurate records regarding the citizenship, by state, of our applicants. The following questions relate to the UMass regulations on Tuition Calculation; a copy is available on request. Please complete the questions below and check the appropriate residency:

1. Residents of Massachusetts, please complete this section:

_____ I have continuously resided in the Commonwealth of Massachusetts since: _____

Permanent address: _____ since: _____

2. Non-residents of Massachusetts, please complete this section:

If you live out of state and are claiming Massachusetts residency, at least one natural parent or legal guardian (who provides financial support) must live in Massachusetts. Possession of a second home in Massachusetts does not constitute residency.

_____ I do not qualify for Massachusetts residency

_____ I have been a legal resident of CT, ME, NH, RI, or VT for at least a year. (This verification is required if you will claim eligibility for reduced tuition in a qualifying major under the New England Board of higher Education Regional Student Program).

_____ I am not a resident of Massachusetts, but I have a natural parent or legal guardian who provides financial support and is a Massachusetts legal resident. Therefore, I qualify for in-state residency.
