

University of Massachusetts Dartmouth
Car Pool Parking Space Application Form

The University is pleased to be participating in the Commonwealth of Massachusetts Rideshare Program. One of the components of that program is to offer incentives to students, faculty and staff who car pool to work. You qualify as a car pool if you have two or more individuals who drive to work together and pledge to use only one vehicle. The University is offering several Car Pool Spaces around campus. These spaces are reserved for those with a Car Pool hang tag. Car Pool hangtags are available in the Parking Services office by filling out the form below and certifying that each of those listed on the form ride to the University together and use only one vehicle. These hangtags are valid for six months and can be renewed on a space available basis. Only one hang tag will be issued to each car pool and must be shared among all members.

We the undersigned certify that we routinely ride to work together in the same vehicle. Each participant must be present at sign up.
