AVOID THE RUSH! Make an Advising appointment now and have your Academic Advising hold removed.

Please review your account on COIN to determine the type of hold(s) you have and then contact the appropriate office. Any holds on your student account will prevent you from registering for the Fall 2009 semester courses. It is very important that you work to resolve all holds immediately as available classes fill fast.

If you are not planning to attend the Fall 2009 semester, please contact the Registrar's Office by email: registrar@umassd.edu, by telephone: 508-999-8615, or by stopping by the Registrar's Office so that we may assist you.

Sincerely,
