4. The estimated total number of UMassD students eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965 and thus eligible to receive Emergency Financial Aid Grants to students under Section 18004(a)(1) of the CARES Act: 5,298.

6. The method(s) used by UMassD to determine which students receive Emergency Financial Aid Grants and how much they would receive under Section 18004(a)(1) of the CARES Act: In trying to allocate the funds in a way that would benefit all students an electronic application process was implemented that is administered by Financial Aid Services. Students may apply for funds for needs including food, moving costs, housing, etc. The amount awarded is dependent on the number of applications received. Awards are made on a first-come, first-served basis. Requests for funds for tuition and fees are denied. Financial Aid Services and the Bursar's Office review eligibility and make the final determination. Students are then notified by email of their approved award amount.
7. Any instructions, directions, or guidance UMassD to students concerning the Emergency Financial Aid Grants: Students received emails notifying them of the award and instructions for providing direct deposit or check payment addresses. This website was also set up with Frequently Asked Questions for students.
