Who Am I?

- I live in a dorm:
 - When you first come to campus, you're focused on experiencing your new city
 - Owning a car on campus can be difficult and expensive.
 - With 2 cars on campus, Zipcar makes a ton of sense for those of you who want access to a car without having to pay for parking, oil changes, maintenance, gas and insurance.
- I'm an international student:
 - There are so many questions that so many of you have about coming to study in America.
 - What's Dartmouth like? What do people do for fun? How do I get around? What if I need a car?
 - Zipcar can provide the ability to go beyond campus.
- I'm a junior or senior getting ready for life after college:
 - For those of you looking to get internships, Zipcar is a great way to get to the interviews quickly and on-time.
 - For those of you looking to head out into the business world after college, remember, we have over 10,000 cars in 20 major cities worldwide.
