

Activities

The Society, for furtherance of its aims and objectives, will undertake to do the following:

- To organize activities, such as conferences, discussion groups, workshops, lectures, camps, concerts, performances.
- To sponsor, promote, establish, develop, control, supervise, support, encourage and run institutions (such as centers, schools, reference libraries).
- To publish journals, monographs, periodicals, books, magazines, papers, etc.
- To disseminate in all possible ways knowledge and findings on Vedic and ancient Indian traditions.
