Registration form

Note: This form is in two sections. When you have completed this form and click the "Submit Abstract" button at the end, the contents will be sent to the committee with an email copy to you for your records.

Abstract Data

- Title of the Abstract:

- Author(s) by first name, middle initial, last name
  Please separate entries with a comma and at the end place a semicolon followed by the department, organization, name of university or institution. If you are not affiliated with any organization, enter your mailing address (i.e.. Dr. Bal Ram Singh, Maureen Jennings and Shwetha Bhat, Center for Indic Studies, University of Massachusetts Dartmouth, 285 Old Westport Road, North Dartmouth, MA 02747).

- Text of abstract
  Must not exceed 1,180 characters with spaces. (Approximately 225 words). You should write the abstract in your word processor, then check it's length. (With Microsoft Word choose "word count" from the "tools" menu. It will tell you the number of words, characters with spaces, and characters without spaces. Most word processors offer a similar function.) If you are satisfied it is of the correct length, copy and paste the text
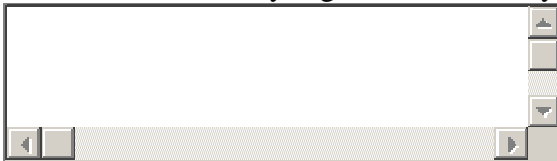

here.
