

Minor Requirements – Accounting

The Department of Accounting and Finance
Charlton College of Business

The objective of the minor is to give students a basic understanding of generally accepted accounting practices and their application to the effective managerial oversight of the business enterprise. A choice of electives allows students to also develop a deeper understanding of a selected area of accounting practice.

Students eligible to declare the minor must have an overall GPA of 2.5 and have completed 54 credits. The “Request for a Minor” form must be completed and submitted to the Registrar. Students meet the requirements of the minor by completing all of the 8 courses listed below with a GPA of 2.5 in the eight courses.
