

Minor Requirements

Management Information Systems

The Department of Decision and Information Sciences
Charlton College of Business

The effective application and management of information technologies is crucial to the success of enterprises and institutions. The objective of this minor is to provide students with skills in the analysis and design of systems, web solutions; and leveraging the power of data to support business decisions.

Students eligible to declare the minor must have an overall GPA of 2.5 and have completed 54 credits. The “Request for a Minor” form must be completed and submitted to the Registrar. Students meet the requirements of the minor by completing all of the 8 courses listed below with a GPA of 2.5 in the eight courses.
