

Minor Requirements - Operations Management

The Department of Decision and Information Sciences

Charlton College of Business

The minor in Operations Management develops an understanding of the processes and methods of organizing activities, materials and staff to effectively manage the flow of goods or services from suppliers to customers. Students will have the opportunity to develop analytical and quantitative tools applicable to a broad range of organizations.

Students eligible to declare the minor must have an overall GPA of 2.5 and have completed 54 credits. The "Request for a Minor" form must be completed and submitted to the Registrar. Students meet the requirements of the minor by completing all of the 8 courses listed below with a GPA of 2.5 in the eight courses.
