

How to Connect to Eduroam on a Chromebook

1. Open up your Network menu by clicking on the WiFi symbol in the bottom left corner.
2. Select the Wi-Fi symbol as shown.

3. In the Network menu, choose eduroam.

NOTE: You can also click on the "i" symbol in the top right corner if you are asked to get the MAC Address of your device.

4. A Join Wi-Fi network prompt should come up. Please fill in the information as shown below:

NOTE: If you receive an error when you click Connect, choose *Do not check* in the Server CA field.

- **EAP Method** > PEAP
- **EAP Phase 2 authentication** > MSCHAPv2
- **Server CA certificate** > Default
If you get an error, choose Do not check instead
- **Identity** > Your UMassD e-mail address
- **Password** > Your UMassD e-mail password
