Graduation Plan

To be completed the Spring semester of the Junior year when the student is planning to enroll in a senior capstone course. A final signed copy should be forwarded by the advisor to Engineering Student Support & Services (ES³) via email coesupport@umassd.edu. ES³ will review the plan in the summer after spring grades have posted and will notify the student & advisor if changes are needed.

Approved as is:

Needs Changes:

¹ Available in the COIN Advisement Report. Both the overall and major GPAs must be at least a 2.000 to meet degree requirements for graduation.

² Note: You will only be allowed to participate in the Spring 2026 Commencement Ceremony if ALL requirements are in progress of being completed by the end of August 2026.
