STUDENT OATH

As a Student Nurse dedicated to providing the highest quality care and services, I solemnly pledge that I will:

Consider the welfare of humanity and relief of suffering my primary concerns;

Act in a compassionate and trustworthy manner in all aspects of my care;

Apply my knowledge, experience, and skills to the best of my ability to assure optimal outcomes for my patients;

Exercise sound professional judgment while abiding by legal and ethical requirements;

Accept the lifelong obligation to improve my professional knowledge and competence;

Promote, advocate for, and strive to protect the health, safety, and rights of the patient.

With this pledge, I accept the duties and responsibilities that embody the nursing profession.

I take this oath voluntarily with the full realization of the responsibility with which I am entrusted by the public.

The "Keeping Healthcare Human" pins are a gift to students from the Arnold P. Gold Foundation, initiators of the first White Coat Ceremony in 1993.
