

Theta Kappa Chapter

College of Nursing and Health Sciences
University of Massachusetts Dartmouth

The vision of the Sigma Theta Tau International, Honor Society of Nursing, is to create a global community of nurses who lead in using knowledge, scholarship, service and learning to improve the health of the world's people.

Call for Research Proposals - 2021

In keeping with the vision of Sigma Theta Tau International (STTI), the Research Committee of the Theta Kappa Chapter of STTI invites applications for research grants.

General Information:

- The Theta Kappa Grants Program is designed primarily to provide funding for pilot projects or small research projects including dissertations and DNP projects.
- Grants are awarded to Theta Kappa members only.
- The maximum grant award is up to \$750.
- Any Theta Kappa member is eligible to apply.

Deadline for submission: January 10, 2021 @ 5:00 pm

**Follow application guidelines and submit the research proposal electronically to:
Barbara Weatherford PhD, RN @ bweatherford@umassd.edu**

Research grant guidelines for submitting a research proposal, the application and agreement forms can be found at: <https://www.umassd.edu/nursing/sigma-theta-tau/> (click on hyperlink or copy/paste into your browser.) **Please note**, if guidelines are not followed, including page limits, your proposal will be returned to you for edits or may not be considered for a research award.

For further information, contact: Barbara Weatherford (bweatherford@umassd.edu)
