

Theta Kappa Chapter

Call for Research Proposals

In keeping with the vision of Sigma Theta Tau International (STTI), the Research Committee of the Theta Kappa Chapter of STTI invites applications for research grants.

General Information:

- The Theta Kappa Grants Program is designed primarily to provide funding for pilot projects or small research projects including dissertations and DNP projects.
- Grants are awarded to Theta Kappa members only.
- The maximum grant award is up to \$500.
- Any Theta Kappa member is eligible to apply.
- Please see attached documents for more information.

Deadline for submission: January 31, 2024 @ 5:00pm

Follow application guidelines and submit the research proposal electronically to:

Jennifer Viveiros, PhD, RN @ jennifer.viveiros@umassd.edu

Research grant guidelines for submitting a research proposal, the application and agreement forms can be obtained from the UMass Dartmouth Theta Kappa website at <https://www.umassd.edu/nursing/sigma-theta-tau/>

Please note, if guidelines are not followed including page limits, your proposal will be returned to you for edits or not considered for a research award.
