

## ART + DESIGN MINOR

# JEWELRY/METALS

21 credits

Explore the art and craft of jewelry/metals with a minor. You'll have the opportunity to develop your artistic and technical skills in this creative field.

The curriculum introduces you to the essentials: cutting, forming, fabrication, surface finishing.

*Further course work includes:*

- etching, forging, sinking shallow forms
- lost wax casting, mold making to produce multiples
- simple and faceted stone setting, hinge construction
- enameling

*Prepare for careers in:*

- Running a studio business
- Designing for Industry
- Technical jewelry employment

To declare a Jewelry/Metals Minor, students must be a degree candidate who has earned at least 24 credits, with a minimum cumulative grade point average of 2.000 and a minimum 2.500 grade point average in their major.

*Note: Students must pass sophomore and/or junior level reviews prior to moving to advanced level courses.*
