# MUSIC

18 credits

Develop your musical abilities in piano, voice, or orchestral instruments.

To declare an Art History minor, students must be a degree candidate who has earned at least 24 credits, with a minimum cumulative grade point average of 2.500 and passes an audition within the Department of Music.

The Minor also allows students who are considering majoring in Music the opportunity to begin serious study within the Department of Music at UMass Dartmouth.

Students who demonstrate a special ability or interest may pursue an individualized program of study with the approval of the chair and their music faculty advisor. Procedures for individualized study must first be discussed with the Department Chair of the Department of Music.
