

ART + DESIGN MINOR

PHOTOGRAPHY

18 credits

Enhance your artistic abilities with a minor in photography. You'll develop your technical and aesthetic skills as you study traditional and contemporary artists, practices, and techniques.

Your studies may include:

- black & white darkroom photography
- color digital imaging & printing
- large format photography
- studio lighting
- video
- the history of photography

To declare a Photography Minor, students must be a degree candidate who has earned at least 24 credits, with a minimum cumulative grade point average of 2.000 and a minimum 2.500 grade point average in their major.

Note: Minors in this concentration may be required to have a laptop and camera.

Note: Students must pass sophomore and/or junior level reviews prior to moving to advanced level courses.
