With a minor in sculpture and 3D studies, you will increase your technical proficiency and develop a personal voice. Emphasis is placed on the development of concepts and content, as well as personal interpretation.

*Our progressive and forward-thinking curriculum includes a comprehensive technical foundation:*

- welding
- woodworking
- mold-making
- casting

To declare a Sculpture minor, students must be a degree candidate who has earned at least 24 credits, with a minimum cumulative grade point average of 2.000 and a minimum 2.500 grade point average in their major.

*Note: Students must pass sophomore and/or junior level reviews prior to moving to advanced level courses.*

Students select 12–15 credits from the 200-300-level studio courses listed below and then one (1) or two (2) upper-level (400-level) courses in sculpture.
