Payroll Tax Rate
The following components comprise the approved Fiscal Year 2024 payroll tax and assessments rate:

Unemployment: 0.13%
Universal Health: 0.07%
Medicare: 1.58%
Paid Family and Medical Leave (PFML): 0.33%
Total: 2.11%

The fringe benefit rate is applicable to both the state “5D” rate used to assess fringe benefit costs on all state funds, other than the General Fund, pursuant to M.G.L. c. 29, § 5D, and the “6B” rate used to assess fringe benefit costs on federally supported programs pursuant to M.G.L. c. 29, §6B. The rate is applied to salaries expended under object codes A01, A07, A09 and AA1.

The costs associated with terminal leave salaries are allocated through the fringe benefit rate. Therefore, A12, Sick-Leave Buy Back; A13, Vacation-in-Lieu; and A21, Payments for Deceased Employees object code expenditures may not be claimed as direct costs on federally supported programs whether incurred on Federal grants, contracts, or state appropriations subject to Federal reimbursement.

The payroll tax rate is applicable to all account types pursuant to M.G.L. c. 151A, §§ 14C and 14G for unemployment and universal health insurance, respectively, and M.G.L. c. 7A, §§ 3, 7 and 8 for Medicare insurance. The rate is applied to regular and contract employees and is assessed to all AA and CC object codes, except A75, A90, C33, C75, C90, C98 and CC5.
The Paid Family and Medical Leave (PFML) assessment will be applied to the same object codes as other payroll taxes, with identical exceptions, but each individual employee’s earnings will be assessed only up to the contribution and benefit base established for the Social Security Administration’s (SSA) Federal Old-Age, Survivors, and Disability Insurance program.

All fringe benefit and payroll tax assessments determined by these rates will be charged to object code D09 at the close of each accounting period.

Please note that certain expenditures made under Interdepartmental Service Agreements (ISAs) may trigger the assessment of fringe benefit and payroll tax costs to the ISA child account and both the Buyer and Seller Departments are responsible for ensuring that these amounts are adequately funded in the ISA and identified in the ISA budget.

Please direct any questions regarding this memo on the approved fringe and payroll rates to Jessie Zuberek at jessie.zuberek@mass.gov.
