Business Advisory Board Spotlight

Mr. William G. Heaney, MBA, is a Registered Representative with New York Life. He has spent virtually his entire career in the field of finance. Prior to his association with New York Life, he retired as Associate Vice Chancellor for Administration at UMass Dartmouth and was Senior Vice President and Treasurer of Southcoast Health System. Bill lives in Wareham with his wife Janice and enjoys spending time with his five grandchildren. Bill has devoted a significant amount of time this year helping SIFE students understand and appreciate the importance of making a difference in the community. We thank him for his support throughout the year.
