Sample Abstract Page

Abstract

[Insert the thesis title, as it appears on the title page. If it's longer than one line, divide it for readability.]

by [your full name]

Double space the abstract. Use the same paragraphing style (no indents or indents) you used in the thesis.

If the abstract extends to a second page, arrange it the way you would any successive page in your thesis. If you need a refresher on how to write an abstract, see Lannon, Technical Writing; Dumont and Lannon, Business Communications, or get Thesis Writer's Handbook, available at the Campus Book Shop.
