

CEMS BARCODE DISPOSAL LOG

Please maintain an accurate inventory in the CEMS Database!

- Remove barcode when chemical bottle/box/container is empty or no longer needed.
- Remove chemicals from the CEMS Inventory Database frequently to ensure that the database is kept in compliance.
- For more information please visit <https://www.umassd.edu/environmentalhealthsafety>

Place barcodes here. Email ehs.info@umassd.edu to replace this form
