Loan Amount Requested

For each academic year, you may borrow up to - but not more than - the school’s cost of attendance, minus the amount of other financial assistance that you receive (if you are a graduate or professional student) or that the student receives (if you are a parent borrower). The school determines the cost of attendance based on federal guidelines. It is important not to borrow more than you can afford to repay, even if you are eligible to borrow more.

Step 6: The results of your PLUS application and credit check will be available immediately.

If credit is approved, you will be given instructions for completing a PLUS Master Promissory Note (MPN) if not completed previously. No PLUS funds can be paid to the student's UMD account until this PLUS MPN has been completed.

If credit is denied, you will have the option to: (1) not pursue the loan, (2) obtain an endorser, or (3) appeal the credit decision. ***If parent chooses option 1 (not pursue the loan)***, student will be awarded additional Federal Direct Unsubsidized loan for the maximum amount eligible up to the established limits and not to exceed cost of attendance: Freshman/Sophomore up to \$4,000; Junior/Senior up to \$5,000. ***If parent chooses option 2 or 3 (obtain an endorser or appeal the credit decision)***, parent will be required to complete PLUS entrance counseling prior to disbursement. **Important:** If parent has obtained an endorser and the endorsement process is complete, contact Financial Aid Office at 508.999.9251 for further instruction.

Step 7: The Department of Education will send the PLUS application and MPN information to UMass Dartmouth upon completion. If student is enrolled at least half-time and meets all other eligibility criteria, we will certify the loan for the amount requested or up to the cost of attendance minus other financial aid received if requested maximum amount. The PLUS will be added to the student's financial aid award and will be visible in COIN within 5-7 business days at www.umassd.edu/coin/
