The U.S. Department of Education has determined that you have an unusual enrollment history which indicates that you received Federal Pell Grant funds and/or Direct Loan funds at three or more institutions during the past four award years. Upon review of your academic transcripts, it was determined that you did not earn academic credit at one or more of the previously attended institutions. This has resulted in a denial of any additional Federal Title IV funds.

In some cases, the student may present personal reasons to explain the failure to earn academic credit. If you wish to appeal this decision, please give a written statement below which provides an explanation for your failure to earn academic credit. Within your statement, please include the name of the school and academic period in question. You may include third party documentation to support your appeal. Typed explanations or additional pages, if needed, may be attached and submitted with this form.

By signing this worksheet, I certify that all the information reported is complete, true, and correct to the best of my knowledge. I understand I may be required to provide additional information.
