

How to Obtain a Non-Filer's Statement from the IRS

Each year, the Department of Education selects financial aid applicants to complete a verification process. Verification requires you to submit documentation to confirm the data you reported on the FAFSA. If you did not file a 2023 tax return, you may be required to submit supporting documentation from the IRS. You may be able to request this documentation online. If you are unable to complete your request online, you can utilize the mail request. Please find the instructions for each option below.
