Dear,

Federal regulations require that financial aid applicants meet Satisfactory Academic Progress (SAP). Please refer to the SAP policy at https://www.umassd.edu/financialaid/maintaining-aid/satisfactory-academic-progress/ The Financial Aid Office evaluates SAP annually at the end of each spring semester. Financial aid applicants not meeting SAP standards are ineligible for federal, state, and university financial aid programs (grants/scholarships, loans and work study) including parent loans.

In order to be eligible for financial aid, you must satisfy all SAP components specified in the SAP policy:

- Attempted credits:
- Earned credits:
- Completion rate:
- Cumulative GPA:

Students who are not meeting SAP have the right to appeal. Here are the instructions for completing the SAP Appeal Process.

1. You will need to go to the To-Do List on COIN. You will need to click on the SAP checklist item. The checklist item will have an Upload/Complete Requirement Here link. You will then be directed to the secure document portal.
2. You will need to complete the Appeal detailing the circumstances for not meeting SAP. It is also required to give an explanation about why you did not meet SAP, what has changed that will enable you to meet SAP and the steps you will be taking to ensure you continue to meet SAP.
3. Once the attached SAP Academic Plan has been completed and signed by your Academic Advisor and yourself, the form will need to be uploaded through the Upload/Complete Requirement Here link.

The academic plan must be completed with the Academic Advisor listed below or a designee of your college or the Academic Advising Center as shown below:

- Summer 2020: 7/1/2020
- Fall 2020: 9/10/2020
- Spring 2021: 1/19/2021

We will respond via your UMass Dartmouth email regarding your appeal status. Please keep in mind that submission of an appeal does not guarantee approval.
