THE SURVEY

Approximately six months following the completion of their studies, 1,285 undergraduate alumni who had earned their degrees during the 2014-2015 academic year (AY 2015) were asked to participate in an online survey about their employment and educational activities since graduation. Undergraduate alumni were asked to participate in the survey through a series of five email communications (a prenotice, an invitation, and three reminders). Overall, 139 undergraduate alumni responded to the survey (a response rate of 10.8%). This brief details the principal findings from the survey (note: responses are based on the number of alumni responding to the relevant survey items).
