# Enrollment and Admissions Data Book: Spring 2016

## General Notes

- The Spring 2016 data are based on the UMass Dartmouth computer database census files. The Office of Institutional Research and Assessment then extracts these files and uses them for standard internal and external reporting purposes.
- The enrollment data counts current students registered for more than zero courses.
- The University Extension enrollment data are for credit courses only.

## Definitions

- SCH represents Student Credit Hours attempted for the semester.
- FTE represents Full-Time Equivalency, which is calculated from student credit hours (SCH); for undergraduates and law students, 15 SCHs are equal to 1 FTE and for graduates, 9 SCHs are equal to 1 FTE. An undergraduate registered for one 3-credit course has 3 SCHs, which is equivalent to 0.2 FTE, and a graduate registered for 3 SCHs is equivalent to 0.33 FTE. ABA FTE is calculated by adding the full-time headcount and 2/3 of the part-time headcount.
- Full-Time/Part-Time status is calculated on credits attempted; full-time undergraduates and Law students taking 12 or more credits and full-time graduates taking 9 or more credits.
- Unduplicated Total removes double counting of students enrolled both in Day and UE.
- Counting Majors compared to Counting Enrollment: counting of majors is now being done from the unduplicated datafile and gives the number of students in the whole university who are majoring in specific programs; Day and UE enrollment counts by college give the number of students from a specific program who are currently enrolled in courses offered via Day/UE delivery. These different perspectives explain the differences in numbers when looking at major counts as compared to enrollment counts.

## Acknowledgments

- The Office of Institutional Research and Assessment extends its appreciation to the offices that gather and input the data that becomes the basis of IR reports. For this data book, these offices include the Admissions, Registrar's, and University Extension Offices.
