Enrollment, Admissions, and Degrees Data Book: Fall 2011

General Notes

- The Fall 2011 data are based on the UMass Dartmouth computer database census files; these files were "frozen" in time by the UITS Information Systems office. The Office of Institutional Research then extracts these files and uses them for standard internal and external reporting purposes.
- The enrollment data count current students registered for more than zero courses.
- The PCE enrollment data are for credit courses only. PCE has additional students who are taking non-credit courses shown on a separate table.

Definitions

- SCH represents Student Credit Hours attempted for the semester.
- FTE represents Full-Time Equivalency, which is calculated from student credit hours (SCH); for undergraduates and Law students 15 SCHs are equal to 1 FTE and for graduates 9 SCHs are equal to 1 FTE. An undergraduate registered for one 3-credit course has 3 SCHs, which is equivalent to 0.2 FTE, and a graduate registered for 3 SCHs is equivalent to 0.33 FTE. ABA FTE is calculated by adding the full-time headcount and 2/3 of the part-time headcount.
- Full-Time/Part-Time status is calculated on credits attempted; full-time undergraduates and Law students are taking 12 or more credits and full-time graduates are taking 9 or more credits.
- Unduplicated Total removes double counting of students enrolled both in Day and PCE.
- Counting Majors compared to Counting Enrollment: counting of majors is now being done from the unduplicated datafile and gives the number of students in the whole university who are majoring in specific programs; Day and PCE enrollment counts by college give the number of students from a specific program who are currently enrolled in Day/PCE. These different perspectives explain the differences in numbers when looking at major counts as compared to enrollment counts.

Acknowledgments

- The Office of Institutional Research extends its appreciation to the offices that gather and input the data that becomes the basis of IR reports. For this data book, these offices include the Admissions, Registrar's, and PCE Offices.
