

2023-2024 GRADUATE STUDENT EXIT SURVEY

Data on Student Satisfaction and Experiences Across the University

Key Findings:

Graduate students who earned their degrees during the 2023-2024 academic year (AY) and responded to the survey:

- Indicated high levels of satisfaction with the overall quality of academic instruction (87% were very satisfied or satisfied) and their overall experience in their programs (87% were very satisfied or satisfied).
- Rated less highly in their satisfaction with the maintenance (upkeep) of Residence Halls (63% were very satisfied or satisfied), the availability of financial support for graduate students (e.g., tuition support, graduate research/teaching assistantships) (64% were very satisfied or satisfied), and social life on campus (66% were very satisfied or satisfied).
- Overall, 86% of AY 2023-2024 graduate degree earner respondents were very satisfied or satisfied with their overall experience at UMass Dartmouth. Eighty-two percent strongly agreed or agreed that they would recommend UMass Dartmouth to future graduate students.

THE SURVEY

As part of the online application for graduation, students are asked to complete an exit survey that asks about their satisfaction with their university experience and their experiences with university services and support systems. Overall, 563 AY 2023-2024 graduate degree earners responded to the graduate student exit survey (a response rate of approximately 89.8%)¹. This brief details the principal findings from the survey (note: responses are based on the number of students responding to the relevant survey items).

GENERAL SATISFACTION

- The percentage of AY 2023-2024 graduate degree earners who rated their level of satisfaction as “very satisfied” or “satisfied”² was:
 - 87% for the overall quality of academic instruction
