THE SURVEY

Approximately three months following the completion of their studies, 353 alumni who had earned their graduate degree or certificate during the 2013-2014 academic year (AY 2014) were asked to participate in an online survey about their employment and educational activities since graduation (note: Law students were excluded because the Law School has specific standards for alumni follow-ups). Graduate alumni were invited to participate in the survey through a series of five email communications (a prenotice, an invitation, and three reminders). Overall, 109 graduate alumni responded to the survey (a response rate of 30.9%). This brief details the principal findings from the survey (note: percentages are based on the number of alumni responding to the relevant survey items).
