

## **SUSTAINABILITY (SUS)**

### Concentration Sheet

(15 Credits)

**Program Description:** The Sustainability Program is an interdisciplinary program that provides students with a holistic understanding of the opportunities and challenges involved in fostering sustainable economic, environmental, and social development within households, businesses, communities, governments, and other organizations, at all scales from the local to the global.

**One of the following courses:**

**(3 credits)**

SUS 101: Principles of Sustainability

SUS 202: Topics in Sustainability

(Note: Students may take both courses, or repeat SUS 202 with a change of topic, in which the second course will fulfill requirement “B” below.)

**One SUS or approved course at any level**

**(3 credits)**

\_\_\_\_\_

**Three SUS or approved courses numbered 300 or above**

**(9 credits)**
