UMass | Dartmouth

Welcome!

> University of Massachusetts Dartmouth is ranked in the top 20% of the world's universities."
>
> *- Times Higher Education*

I am very pleased to welcome international students to the University of Massachusetts Dartmouth community. This is a rich learning and living environment where you will be encouraged and challenged by faculty and staff who are committed to your success.

UMass Dartmouth is one of the five campuses comprising the world-renowned University of Massachusetts. We offer the academic resources of a premier research university with a level of personalized teaching that is extraordinary. In addition to our intellectual capital, the University serves as a cultural, social, and economic catalyst in this region.

U.S. News & World Report has ranked UMass Dartmouth as a Tier 1 National Research University.

Our faculty are recognized nationally and internationally for their scholarly and creative work. These same faculty engage our undergraduate and graduate students in research activities and projects that develop both knowledge and critical leadership skills.

We are committed to facilitating your learning experience and your professional success. I look forward to meeting you.

Sincerely,

Mohammad Karim, Ph.D.
Provost,
UMass Dartmouth

Academics

Academic excellence and a personalized educational experience are at the heart of UMass Dartmouth (UMassD). In the classrooms, in the laboratories, and in practice, our students are gaining the knowledge and skills that will prepare them to enter the workforce and contribute throughout their careers.

Team projects and cutting-edge undergraduate research projects with faculty prepare our graduates for a global economy. We help students develop the critical thinking, communication, and leadership skills that are essential in any job. Students benefit from interacting with people from an array of disciplines.

Prepared for the Future

At UMass Dartmouth we prepare you for the real world by combining a world-class education with hands-on experiences. Research opportunities, internships, capstone projects, and community-service learning give you the chance to put your classroom knowledge to work and gain practical skills. Our graduates find success and continue to grow through their careers.

Intensive English Program

UMass Dartmouth's American Language and Cultures Institute (ALCI) intensive English program offers courses at all levels of English. The curriculum is designd to prepare you to communicate in English-speaking academic, social, and professional settings.

Your preparation for classroom success includes intensive English/ESL study. Your ALCI peers come from across the United States and around the world. Together, you will have the opportunity to participate in University of Massachusetts Dartmouth clubs, organizations, and student life. Students may be required to complete English proficiency requirements before acceptance to UMass Dartmouth.

UMass Dartmouth is located in a vibrant, coastal community:

- 21 kilometers from the beach
- 48 kilometers from Providence, RI
- 97 kilometers from Boston, MA

There is daily bus transportation to Boston directly from campus. Public transportation is available to Boston's international airport.

Living & Dining

Construction on a new $134 million first-year residence and dining complex will open in Fall of 2020. Two residential buildings will be connected to a state-of-the-art dining facility and will house 1,210 students in fully-furnished single and double occupancy rooms. The complex includes computer lounges, maker spaces, performance practice areas, and classrooms along with plenty of outdoor gathering space and seating. Other features include kitchens and free laundry monitored by a mobile app.

Our students will build an exciting new community while our campus transforms with a distinct look and vibrancy.

Safe and Secure

UMassD has 74 percent of first-year students living on campus. Campus housing is plentiful and is available for the duration of your UMassD studies.

There is one entry/exit for the campus and a full-time UMass Dartmouth Police Department that supports students, faculty, and staff 24/7.

Activities on Campus

Campus activities are held virtually every day and night of the academic year. From sports to visiting speakers and cultural celebrations, UMassD offers intellectual, social, cultural, and community service pursuits.

Ranked #113 for top public schools among nationally ranked universities."

How to Apply

Step 1: Submit your application to: umassd.edu/international-apply.

Step 2: Submit secondary and/or post-secondary sealed official transcripts. Documents issued in a language other than English must be accompanied by literal English translations.

For all post-secondary education taken outside of the United States, an official course-by-course evaluation is required.

Step 3: Submit an official SAT or ACT report.

Step 4: All non-native speakers of English must demonstrate English language proficiency and are required to submit TOEFL (79), IELTS (6.5) or PTE (53) scores.

Applicants may waive the language score requirement if their secondary institution provides written verification that the means of instruction is in English, they are enrolled in an IB curriculum, attend and graduate from an American School or enrolled in a curriculum that leads to Cambridge International Examinations: IGCSE/O-level and GCE/A level exam.

Step 5: Send an essay or personal statement of up to 500 words on a topic of your choice.
