Re: 2014 NCLEX® Performance Summaries

The 2014 NCLEX Performance Summary for your nursing education program is attached. The summary, as reported to the Massachusetts Board of Registration in Nursing (Board) by the National Council of State Boards of Nursing, reflects the aggregated performance of first-time NCLEX writers who are graduates of your program, regardless of the year of graduation and the state of initial nurse licensure.

The graduation dates listed in the Summary are provided by graduates when they register to write the NCLEX. Consequently, the graduation dates that appear in the Summary cannot be changed by the Board or by Professional Credential Services staff and may not be the same date that was provided on a graduate's application for Massachusetts nurse licensure by examination.

Lastly, the 2014 Performance Summary for Massachusetts Nursing Education Programs will be posted by the end of the month in the Nursing Education/Statistics/National Council Licensure Examinations (NCLEX) by School section of the Board's website at <http://www.mass.gov/dph/boards/rn> (click on "Nursing Education" then "Statistics").

Please feel free to contact Kathleen S. Ashe MSN, RN, CNE, Nursing Education Coordinator @ Kathleen.S.Ashe@massmail.state.ma.us if you have any questions.
