

In Fall 2014, the Faculty Senate and the Student Government Association developed and finalized the UMass Dartmouth Grade Appeal Policy. The policy may be found in the UMassD catalog, as well as in the Student Affairs Student Handbook and in the Academic Menu on the Student Success website at <https://www.umassd.edu/studentsuccess/>.

The policy specifies:

- the criteria for a grade appeal, including the issues that may be appealed;
- the appointment of college-based Grade Appeal Facilitators;
- a summary of the process, which may include the submission of a Grade Appeal Form;
- an explicit timeline for completion of a Formal Grade Appeal.

Please be aware that there is a deadline for submitting a Formal Grade Appeal each semester, which for Spring 2024 is **seven days after final grades are due (May 18th) or seven days after the grades are submitted, whichever is the later date.**

If you have questions or to begin the grade appeal process, please contact the Grade Appeal Officer ([grade.appeal@umassd.edu](mailto:grade.appeal@umassd.edu))

The Grade Appeal process of the UMass School of Law maybe be found here: <http://www.umassd.edu/law/students/studentervices/complaintsdisputeresolution/>.

Ramprasad Balasubramanian
