

## Accelerated Bachelor's to Master's Program Supplemental Certification Form

Students pursuing accelerated BA-MA/MAT, BS-MS or BA/BS-MBA must have their plan of study approved *before* their baccalaureate degree is conferred to ensure that course credits are appropriately counted toward one or both degrees. Departments must submit this form as part of the baccalaureate degree certification process.

Once the BS/BA degree is conferred and the student is matriculated in the master's program, the Dean's Office must submit this form at <https://www.umassd.edu/ssc/> via "Submit an inquiry" for the Registrar's Office to internally transfer the appropriate credits from the BA/BS to the MS/MA/MAT program.
