GRADUATE STUDENT TRANSFER CREDIT EVALUATION FORM

A maximum of 6 semester hours of credit (or the equivalent) may be transferred from another institution toward a UMass Dartmouth graduate degree - and a maximum of 3 semester hours of credit (or the equivalent) may be transferred toward a UMass Dartmouth graduate certificate – with approval of the relevant Graduate Program Director and College Dean, provided the courses are graduate-level and have a final grade of at least B minus. Unless specific arrangements have been approved by relevant entities, including the Office of Graduate Studies, course credits applied in the attainment of another credential (e.g., degree or certificate) from any institution, including UMass Dartmouth, cannot be used to fulfill any of the requirements of a graduate credential (e.g., degree or certificate) at UMass Dartmouth. **For approval to be granted a photocopy of the transcript from the outside institution must accompany this form.** UMass Dartmouth equivalency course titles will be recorded on the UMass Dartmouth transcript without a grade designation; these courses will not be included in the Grade Point Average earned at UMass Dartmouth. **UMass Dartmouth will not post transfer credits until an official transcript from the outside institution has been received by the Registrar’s Office.**
