Residency Information

As a state-supported University, we must keep accurate records regarding the citizenship, by state, of our applicants. The following questions relate to the UMass regulations on Tuition Calculation; a copy is available on request. Please complete the questions below and check the appropriate residency:

1. Residents of Massachusetts, please complete this section:

☐ I have continuously resided in the Commonwealth of Massachusetts since: _____
Permanent address: _____ since: _____

2. Non-residents of Massachusetts, please complete this section:

If you live out of state and are claiming Massachusetts residency, at least one natural parent or legal guardian (who provides financial support) must live in Massachusetts. Possession of a second home in Massachusetts does not constitute residency.

- ☐ I do not qualify for Massachusetts residency
☐ I have been a legal resident of CT, ME, NH, RI, or VT for at least a year. (This verification is required if you will claim eligibility for reduced tuition in a qualifying major under the New England Board of higher Education Regional Student Program).
☐ I am not a resident of Massachusetts, but I have a natural parent or legal guardian who provides financial support and is a Massachusetts legal resident. Therefore, I qualify for in-state residency.

US Federal Law requires we request your Social Security Number (SSN) or Taxpayer Identification Number (ITIN) so that it may be included on an information return (1098-T). The 1098-T is used to determine your eligibility for federal education tax credits when filing a federal tax return. If you do not have your SSN or ITIN number readily available, you may use form W-9S to provide this information to us.

1. Have you ever been found responsible for a disciplinary violation at an educational institution you have attended from 9th grade (or the international equivalent) forward, whether related to academic misconduct or behavioral misconduct, which resulted in your probation, suspension, removal, dismissal, or expulsion from the institution?

☐ Yes ☐ No

2. Have you ever been convicted of a felony or other crime?

(Note: You are not required to answer "yes" to the criminal history question if the criminal adjudication or conviction:

(1) has been expunged, sealed, annulled, pardoned, destroyed, erased, impounded, or otherwise ordered by a court to be kept confidential;

(2) was a first conviction for misdemeanor drunkenness, simple assault, speeding, minor traffic violations, or disturbance of the peace; or

(3) any conviction of a misdemeanor where the conviction occurred more than five years prior to the date of this application, unless you were sentenced to imprisonment upon conviction of the misdemeanor, or you have been convicted of another criminal offense within the five-year period.)

☐ Yes ☐ No

If you answered "yes" to either or both questions, please submit a separate sheet that gives the approximate date of each incident and explains the circumstances.

Mark the envelope CONFIDENTIAL and mail directly to:

UMass Dartmouth
Office of the University Registrar
Foster Administration, Room
116 285 Old Westport Road
Dartmouth, MA 02747-2300
USA

We will carefully review the circumstances surrounding your situation. A "yes" answer does NOT necessarily disqualify you for consideration for admission to UMass Dartmouth.

To the best of my knowledge and belief, the information I have provided above is complete and accurate, and any records submitted are correct and official. I understand that failure to disclose any required information could result in the denial of admission or retroactive administrative withdrawal from the university without refund or course credits.
