Disabilities & Accommodations: The law school is committed to providing equal access to a quality legal education for all students. Any students who feel they may need an accommodation based on the impact of a documented disability should set up a meeting with Wendi Chaka, Director of UMass Dartmouth's Center for Access and Success: 508.999.8711 or wchaka@umassd.edu.

Laptop Exam Administration: All exams must be taken on your own laptop using the law school's designated exam platform. You will receive instructions during the semester on registration and minimum laptop requirements to use the platform. Students must report to the exam room **15 minutes before the scheduled time of the exam** in order to perform the required set up. Software must be opened within 10 minutes prior to the start of the exam. If the software cannot be opened at least 10 minutes before the start of the exam, the starting time of the exam will not be delayed, nor will the ending time be extended. Ear plugs are available upon request.

Examination Conflicts: A student who has an "examination conflict," as defined in the UMass Law Student Handbook § 16(d) (iii), is entitled to have one of the examinations rescheduled. There is an examination conflict when a student has two or more final examinations scheduled to start fewer than sixteen hours apart. For example, if you have final exams scheduled at 6:30 p.m. on Monday and 9:30 a.m. on Tuesday, you have an examination conflict. If you have exams scheduled at 1:30 p.m. on Monday and 9:30 a.m. on Tuesday, you do not have an examination conflict. Exams that specify a window of time in which to start and complete the exam do not create exam conflicts if there is any way to avoid a conflict within the assigned window. If you have an examination conflict, you must submit a petition within **two weeks of the close of the published add and drop period**. If you do not file a timely petition, you will be deemed to have waived your right to object to the conflict.
