Financial Aid - Spring 2024

Spring semester scholarships and loans are scheduled for disbursement beginning Friday, 1/19/24. We expect delivery of credit balance refunds by the end of the following week.

Please be aware that enrollment changes can affect your financial aid awards. In January, the Bursar's Office will send an email notification requesting you check your semester charges and balances. Go to the Account Activity Details of your COIN Account Summary to verify these and your financial aid.

If you would like to discuss your financial aid account, please contact law-financialaid@umassd.edu to schedule an appointment.
